1) **This Lease** Made this **COMMENCEMENT DATE, 2005** by and between **MAPLEWOOD COURT, L.L.C.**, 360 "D" East Maple Road, Troy, Michigan, 48083 the Lessor, hereinafter designated as the Landlord, and **TENANT NAME**, the Lessee, hereinafter designated as the Tenant.

Description

2) WITNESSETH: The Landlord, in consideration of the rents to be paid and the covenants and agreements to be performed by the Tenant, does hereby lease unto the Tenant the following described premises situated in **Troy, Michigan at 330 Maple Rd., Suite " "**, consisting of approximately **1,100 square feet of space with bathroom and office and overhead door.**

Term

3) For the term **XX Months** from and after the **XXth day of XXXXX, 2005** fully to be completed and ended, the Tenant yielding and paying during the continuance of this lease unto the Landlord for rent of said premises for said term, the sum of **XXXXXX Dollars (\$XXXXXXX.00)** in lawful money of the United States payable in monthly installments in advance, upon the **1st** day of each and every month as follows:

REMIT TO: MAPLEWOOD COURT, L.L.C.
360 East Maple Road, Suite "D"
Troy, Michigan 48083

If, by reason of any of the provisions of this Lease, the commencement date shall be any day other than the first day of a calendar month, Fixed Rent for such partial calendar month shall be prorated on a per diem basis.

Rent

4) Tenant shall pay to Landlord, without notice or demand, in lawful money of the United States of America, at Landlord's mailing address or at such other place as Landlord may in writing designate, the following:

5) Fixed rent for the first twelve months of the term hereof shall be as stated in subparagraph L of the Rider to Commercial Lease Agreement of this Lease and shall be payable in equal monthly installments in advance and due on the first day of each and every calendar month during the lease term. There shall be Ten dollar (\$10.00) per day liquidation charge for each day the monthly rent payment is delinquent after the sixth day of the month.

Tenant agrees that in the event the "Consumer Price Index" published by the Bureau of Labor Statistics of the United States Department of Labor for urban wage earners based on the U.S. City average for all group commodities and items (hereinafter called the "Price Index"), or successor or substitute index appropriately adjusted, reflects an increase in the cost of living over and above such cost as reflected by such Price Index as it exists on the first day of the month following the commencement of the demised term hereof (hereinafter called the "Base Index"), the FIXED RENT payable hereunder shall be adjusted as follows:

(a) There shall be an annual adjustment in the minimum rental for each twelve months (commencing with the beginning of the thirteenth month of the initial term and any renewal term) based on the percentile difference between the Base Index and the Price Index for the same day of the same month (used above to create the Base Index) of each succeeding year.

(b) The percentage increase thus determined shall be multiplied by the FIXED RENT and the amount so determined shall be added to FIXED RENT and the combined sum shall constitute the minimum annual rental or the new FIXED RENT for the calendar year next ensuing. In no event shall new FIXED RENT be less than the FIXED RENT payable by Tenant for the preceding year. To illustrate, assuming that the Base Index is 102 and the Price Index for the month of December of the first year of the full term is 105.06, the new FIXED RENT for the second year of the full term would be the total of the base monthly rental plus an additional amount equal to three (3%) percent of such sums payable in equal monthly installments.

(c) In the event that the Price Index ceases to use the 1957-1959 average of 100 as the basis of calculation, or if a substantial change is made in the terms or number of items contained in the Price Index, then the Price Index shall be adjusted to the figure that would have been arrived at had the change in the manner of computing the Price Index in effect at the date of this Lease not been altered. In the event such Price Index (or a successor or substitute Index) is not available, a reliable governmental or other non-partisan publication evaluating the information theretofore used in determining the Price Index shall be used.

6) All sums of money other than fixed rent that shall become due from and payable by Tenant under this Lease are sometimes hereinafter called Additional Rent ("Additional Rent") though not actual rent if not timely received by Landlord shall grant Landlord the same remedies as if the same were a default in the payment of Fixed Rent. If Tenant shall fail to pay any installment of Fixed Rent or Additional Rent when due, Tenant shall pay an administrative service charge of ten (\$10.00) dollars per day the payment shall be delinquent and for each category of delinquent indebtedness and such charge shall be deemed Additional Rent.

Assignment

7) The Tenant covenants not to assign or transfer this lease or hypothecate or mortgage the same or sublet said premises or any part thereof without the written consent of the Landlord. Any assignment, transfer, hypothecation, mortgage or subletting without said written consent shall give the Landlord the right to terminate this lease and to re-enter and repossess the leased premises.
